

Scheme for Academic Support to Schools

1. Title of the Programme

Academic Support and Educational Enhancement Programme

Theme: *Improving Quality Education and Student Learning Outcomes*

2. Background and Rationale

Many schools, especially in rural and underserved areas, face challenges such as lack of qualified teachers, limited learning resources, poor academic performance, and low student motivation. Academic support programmes help improve teaching quality, enhance student learning, and strengthen the overall education system.

3. Objectives

- To improve academic performance of students
 - To provide additional learning support to slow learners
 - To enhance teaching skills of teachers
 - To provide educational resources and materials
 - To reduce dropout rates and improve school attendance
-

4. Target Group

- Students from primary to higher secondary levels
 - Teachers and school staff
 - Schools in rural, tribal, and underserved communities
-

5. Programme Duration and Location

- Duration: Continuous programme (academic year basis)
 - Timing: After school hours / weekends
 - Location: School classrooms, community halls, or learning centers
-

6. Key Components of the Programme

A. Student Academic Support

- Remedial classes for weak students
- Subject coaching (Math, Science, English, etc.)
- Homework assistance

B. Teacher Capacity Building

- Teacher training workshops
- Teaching methodology improvement
- Lesson planning support

C. Learning Resource Support

- Providing books and study materials
- Digital learning tools and smart classes
- Library support

D. Mentoring and Counselling

- Student counselling sessions
- Career guidance
- Motivation programmes

E. Parent and Community Engagement

- Parent meetings
- Awareness on importance of education
- Community participation

7. Programme Activities

Activity	Frequency
Remedial classes	Weekly
Teacher training	Quarterly
Student assessments	Monthly
Parent meetings	Quarterly
Career guidance sessions	Twice a year

8. Implementation Plan

Phase	Activity	Timeline
Phase 1	Needs assessment	Month 1
Phase 2	Programme planning	Month 1
Phase 3	Resource mobilization	Month 2
Phase 4	Programme implementation	On-going
Phase 5	Monitoring and evaluation	Continuous

9. Roles and Responsibilities

Programme Coordinator

- Overall programme management

Academic Trainers

- Conduct classes and training

School Teachers

- Support student learning

Volunteers

- Assist in teaching and mentoring

School Administration

- Provide facilities and coordination
-

10. Resources Required

- Teaching materials
 - Books and learning resources
 - Classroom space
 - Projector and digital tools
 - Qualified trainers and volunteers
-

11. Budget

Item	Estimated Cost (₹)
Teaching materials	2,000
Training workshops	1,000
Staff honorarium	2,000
Total	5,000

12. Monitoring and Evaluation

- Student academic performance tracking
 - Attendance records
 - Teacher feedback
 - Parent feedback
 - Periodic assessment tests
-

13. Expected Outcomes

- Improved student academic performance
 - Increased student confidence and motivation
 - Improved teaching quality
 - Reduced dropout rates
 - Strengthened school education system
-

14. Sustainability Plan

- School and community participation
 - Volunteer support
 - Partnerships with NGOs and donors
 - Linkage with government programmes like Samagra Shiksha
-

15. Conclusion

Academic support programmes play a vital role in improving the quality of education, empowering students, strengthening teachers, and building a brighter future for communities.
